Normal icons

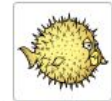

- Main menu icon sheet
- Display area: 24 x 24 pixels per icon
- Must have a transparent background
- Icons are for normal and active states
- Icon colors are from icon sheet
- Displayed here on a gray background
- You can supply separate images (although this is a little more complex than using an icon sheet)

# Description of template icons

- Assigned by operating system
- Default images included
- Dimensions: 128x128 pixels
- PNG, JPG, or GIF

(Examples of default images are not actual size)

# Color scheme
